Vending & Dispense

Premium brands

- 300 years of experience and innovation provides a unique insight into consumer needs
- Branded drinks offer consumers reassurance of quality
- Twinings is the brand consumers look for when out of home*

The market opportunity

- Consumers and operators are looking to 'trade-up' to premium quality branded drinks in vending

The profit opportunity

- Consumers are prepared to pay a 15% price premium for premium teas* = more profit per vend
- Options low-calorie hot chocolate has a lower gram throw that reduces filling time and increases profit per vend
- Twinings Speciality Teas & Infusions are the perfect premium branded tea to complement your premium coffee offering
